

Here In Heaven

Sparks

Here there are lots of things to do
And a panoramic view
Of the universe completely surrounding you
And here you cannot buy souvenirs
For you're never going back, never,never!

Basically, I guess it could be worse,
Yes I do suppose it could be worse

Here there are many many sheep
And the people only sleep
And awake to tell how gory and gruesome was their end
And I don't have many friends
And it's really very clean
And I'm thinking...

Juliet you broke our little pact
Juliet, I'm never coming back

Up here in Heaven without you
I'm here in heaven without you
Up here in heaven without you
It is hell knowing that your health
Will keep you out of here
For many many years

Dear do you often think of me
As you overlook the sea?
Do I qualify as dearly departed or am I
That sucker in the sky,
The fall guy for the first and the last time?

Juliet, I thought we had agreed
Now I know why you let me take the lead

Up here in Heaven without you
I'm here in heaven without you
Up here in heaven without you
It is hell knowing that your health
Will keep you out of here

For many many years

Second thoughts, is that what you had?

Second thoughts, first I broke my back

Second thoughts, as I hit the sea

Second thoughts, for eternity, for eternity, for eternity

Up here in Heaven without you

I'm here in heaven without you

Up here in heaven without you

It is hell knowing that your health

Will keep you out of here

For many many years
