I want to go to every store,  
They call me clearance isle whore,  
I wanna shop until I hit the floor,  
Look at all the pretty boys,  
Lets go play in K B toys,  
Come on everbody lets make some noise,  
Pshyeah!

Look at all the fashion zombies,  
hangin out at Abercrombie  
Shop ( shop ) until we Drop ( drop )  
Rockin down the escalator.  
Moshin in the elevator,  
Shop ( shop ) until we Drop ( drop )

Lets go to the mall,  
You know they have it all,  
Pshyeah  
( lets go to the mall )  
Lets go to the mall,  
You know they have it all,  
Pshyeah

( lets go to the mall )

Look how everybody stares,  
Lets just act like we don't care,  
Come on everybody lets Build-A-Bear  
It's time to walk around and flirt,  
Come on lets go find your self a skirt  
Come on and make those tight pants work,  
( work it )

Gotta get some shoes,  
Gotta get a new belt,  
Gotta get some jeans,  
Gotta get a new top,

Shop ( shop ) until we Drop ( drop )  
Rockin down the escalator,  
Moshin in the elevator,  
Shop ( shop ) until we Drop ( drop )

Lets go to the mall,  
You know they have it all,  
Pshyeah  
( lets go to the mall )  
Lets go to the mall,  
You know they have it all,  
Pshyeah  
( lets go to the mall )
