My World

Sly & The Family Stone

My world
My wish upon a star
Is never ever far
My world
A feeling deep inside
My magic carpet ride
My world
The one thing I defendShe's my friend and best of kin
My world
My troubles disappear
Anytime she's near
My worldMy world
The answer to my prayer
More reason why I care
My world
The joy in all my fun
A woman and a girl in one
My worldThe reason for my smile
The mother of my child
So much I have to give
The life I have to live
The reason for my smile
The mother of my child
So much I have to give
The life I have to live
