

Neva Gave A Fuck

Kid Ink

(Verse 1)

Neva gave a fuck,
probably never will,
rolling,ridin' till the mother fuckin wheel fall off, yeah
I'll be in this mother fucker still,
ballin' bitch this ain't a mother fucking drill,
call it Kid Ink baby, if you ain't know that,
niggas trying to steal my swag need the lowget.
Walk around this bitch no shirt like Coman,
leanin' off the coman is why im moving slowly.
So sorry for the trouble,baby drop it like a fumble and,
imma make it rain feel like spring in the summer,
hell no, it aint nothing,going in like a button.
Take a second. You hear me buzzin'?

(chorus)

Bitch you know I.
Neva gace a fuck,neva,neva gave a fuck,no i neva gave a fuck,
probably never will,
you know i neva gave a fuck,neva,neva gave a fuck,no i neva gave a fuck
probably never will.

(Verse 2)

Shawty on my dick, china copperfield,
better cuff your chick, going for the steal,
she be looking at a nigga like a mother fuckin' meal
signing titties all night still i won't sign a deal.
Oh yeah,tell what you know bout,
trynna keep it real but my show already sold out.
White girls everywhere i go now
party over here but we can take it to the house,
Shawty ring my bell
can't knock my hustle its a Illumni bad gang bitch so the ruble know you see me here,
HD we clear. Put my middle finger up in the air.

(chorus)

Bitch you know I.
Neva gace a fuck,neva,neva gave a fuck,no i neva gave a fuck,
probably never will,
you know i neva gave a fuck,neva,neva gave a fuck,no i neva gave a fuck
probably never will.(verse 3)

Man of my city,L.A. is the home

niggas ran to my city when they see that we was on.

(hold up)

Just touched down now you hear me on the radio,
first time here but your girl, we already know.

I had these bitches at my table back at lunch,
now I got a couple bottles seein' bitches back and front.

Somebody bring the bartender back at once,
imma need a little more, tell em how it go.

(chorus)

Bitch you know I.

Neva gave a fuck, neva, neva gave a fuck, no i neva gave a fuck,
probably never will,
you know i neva gave a fuck, neva, neva gave a fuck, no i neva gave a fuck
probably never will.
