

Get Lucky

Halestorm

To get lucky
To get lucky
To get lucky Like the legend of the phoenix
All ends with beginnings
What keeps the planet spinning
The force of love beginning We've come too far to give up who we are
So let's raise the bar and our cups to the stars She's up all night 'til the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky We're up all night 'til the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky The present has no ribbon
Your gift keeps on givin'
What is this I'm feeling?
If you wanna leave I'm with it We've come too far to give up who we are
So let's raise the bar and our cups to the stars She's up all night 'til the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky We're up all night 'til the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky We're up all night to get
We're up all night to get
We're up all night to get
We're up all night to get lucky She's up all night 'til the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky We're up all night 'til the sun
I'm up all night to get some
We're up all night for good fun
We're up all night to get lucky She's up all night 'til the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky We're up all night 'til the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky We're up all night to get lucky
We're up all night to get lucky

We're up all night to get lucky
We're up all night to get luckyUp all night to get
Up all night to get lucky
Up all night to get
Up all night to get lucky
