New Horizons

Flyleaf

So you?re tired but you?re alive
So open up your eyes and
you can get your sleep when you are dead
Kill the clock inside your head
Bring your normalcy to the edge
and watch it drown in new horizons
New horizons

You said I?d only had to wait until I died
and that?s in no time (no time)
How did we come to thinking this was funny?
Cheeering and laughing at the dying,
while we?re writing the line in you
Chorus
Wait
You said I?d only have to wait until I die
(New horizon)
There is no such thing as time
Inside this moment, no sun rising
{Wait until I fly (New horizon)}[x2]

Life flies in with a conquest,
Life flies in with a new quest
Here?s a voice for the voiceless

and a song for the souless
Life flies in...
Chorus
When the times keep going wrong and we go right[x2]
Wait
You said I?d only have to wait until I die
(New horizon)
There is no such thing as time
Inside this moment, no sun rising
Wait until I fly (New horizon)
Lord
(Wait until I fly, new horizon)
We need you, Lord
(Wait until I fly, new horizon)

There is no such thing as time
Inside this moment, no sun rising
Wait until I fly
When the times keep going wrong and we go right
We go right...
