

Liquid Skies (Video Cut)

Kai Tracid

I'm the voice from the planet of Liquid Skies to bring you the message
Come closer to the speakers so I can see the light in your eyes
I'm here to invite you on a journey to a planet of love and freedom
So relax your body and open your mind to the melody transmission
The melody is the only way to a shining planet of liquid skies
Come closer to the speakers so I can see the light in your eyes
C'mon dance with me and feel the rhythm take over your body
Follow me to the planet of liquid skies
