

Call off the Search

Katie Melua

I won't spend my life, waiting for an angel to descend,
Searching for a rainbow with an end,
Now that I've found you

I'll call off the search. And I won't spend my life, gazing at the stars up in the sky
Wondering if love will pass me by
Now that I've found you

I'll call off the searchOut on my own I would never have known
This world that I see today
And I've got a feeling

It won't fade awayAnd I won't end my days, wishing that love would come along,
'Cause you are in my life where you belong
Now that I've found you
I'll call off the search
