

F.S.O.

Regurgitator

He beats you black and blue
He loves you black and blue
He leaves you black and blue
He's just a criminal You think you're getting through
 You think he still loves you
 You think it's all worth it
He's just a criminal You need help but you can't get nothing
 He needs help but he's just too stubborn
 So when they come with the bag for your body
So sad, too bad, everybody's sorry You keep your mouth closed fade and die
 Take control of your life and survive
 I tell you know you've got to get out
You've got to get out because you're better off without
