

# More of You

## State Line Empire

So it goes without saying, that I'm hooked on you,  
And by now I'm out of mind with this self abuse,  
I guess I should have looked out for myself,  
I guess that I could have found someone else,  
But I never met anyone, who's loving made me so damn crazy,  
Everything little thing that you do,  
Every single word you say,  
Every time your looking away,  
you got begging for more of you, more of you,  
Everytime I'm ready to go,  
Everytime I think I'm back in control,  
Something gets my heart and my soul and I'll be begging for more of you, more of you.  
I'm begging for more of you,  
I'm begging for more of you.  
You're a door I can't close when I'm running late,

When I see you I know that I'm tempting fate,  
I guess that I should move on with my life,  
Cause the state that I'm in is just not right,  
And I never met anyone, who's loving made me so damn crazy,  
Everything little thing that you do,  
Every single word you say,  
Every time your looking away,  
you got begging for more of you, more of you,  
Everytime I'm ready to go,  
Everytime I think I'm back in control,  
Something gets my heart and my soul and I'll be begging for more of you, more of you.  
Now, I don't know where to go,  
Should I put an end to this show,  
But its out of my hands,  
Cause I'm at your command,  
So what else can I do,  
but get some more of you.
