

# Kids Say the Darndest Things

[Tammy Wynette](#)

Kids say the darndest things  
Have you ever listened close to the games they play  
Or the little songs they sing Last night dressed up in a high heel shoes  
And wearing my old hat  
My four year old said  
"I wanna divorce", Now where did she hear that Kids say the darndest things  
Have you ever listened close to the games they play  
Or the little songs they sing Last night as I watched TV  
One rushed through the door  
Mommy daddy's telling someone on the phone  
"Don't you call me here no more" Kids say the darndest things  
Have you ever listened close to the games they play  
Or the little songs they sing Bet my daddy can whip your daddy  
But daddy's never home  
And I think mommy's worried 'bout him  
'Cause she cried all night long Kids say the darndest things  
Have you ever listened close to the games they play  
Or the little songs they sing You never know what they learn at school  
Or what they're thinking of  
My first grader just said a four letter word  
And it sure wasn't love Kids say the darndest things  
Have you ever listened close to the games they play  
Or the little songs they sing  
Kids say the darndest things
