How about a mega-store  
Full of guns to start a war  
We're selling toys for fatal games  
We'll take the credit not the blame When they shoot the neighbours  
Shoot the daughters  
Shoot the sisters  
Shoot the mutha's It's a billion dollar industry  
All in the name of liberty Guns'r'us  
Guns'r'us - big boys buy big toys at  
Guns'r'us  
Guns'r'us Living out the fantasy  
Buy a dozen get - one free  
Radar-guided - laser speed  
Devastation guaranteed Then they shoot the neighbours  
Shoot the daughters  
Shoot the brothers  
Shoot the dog It's a billion dollar industry  
A constitutional guaranty Guns'r'us  
Guns'r'us - big boys buy big toys at  
Guns'r'us - get a free magazine with your m-16  
Guns'r'us - it's a one-day-sale Gunned down in the neighbourhood  
In the name of brotherhood  
Black or white ain't worth a dime  
Cut 'em down in zero time It's shoot to kill - they shoot to kill  
It's a human thrill just to shoot to kill When they shoot the neighbours  
Shoot the daughters
