

The Lost And The Captor

I Am Alpha and Omega

Vicious and tense he hides, Smiling at prideful hearts demise, Demons, They come in shredding waves,
Waiting, Wanting, Weakness[Chorus:]
My Father whispers, you were bought with a price, His eyes are fixed on mine, Heal scars too many to hide, His
love envelops, His love is taking me home, Eternal grace is for the keeping, This poisoned world is sick and
fleeing,
[x2][Chorus]
