

# Take Me Out

## Everyday Sunday

So if you're lonely, you know I'm here waiting for you  
I'm just a cross-hair, I'm just a shot away from you  
And if you leave here, you leave me broken shattered I lie  
I'm just a cross-hair, I'm just a shot then we can die  
I know I wont be leaving here with youI say, "Don't you know?"  
You say, "You don't know"  
I say, "Take me out"  
I say, "You don't show"  
Don't move time is slow  
I say, "Take me out"Well I say, "You don't know"  
You say, "You don't go"  
I say, "Take me out"  
If I move this could die  
And eyes move this could die  
I want you to, to take me outI know I won't be leaving here  
(With you)  
I know I won't be leaving here  
I know I won't be leaving here  
(With you)  
I know I won't be leaving here with youWell I say, "Don't you know?"  
You say, "You don't know"  
I say, "Take me out"  
If I wane this could die  
I wait this could die  
I want you to take me outIf I move this could die  
Eyes move this can die  
Come on, take me outI know I won't be leaving here  
(With you)  
I know I won't be leaving here  
(With you)  
I know I won't be leaving here  
(With you)  
I know I won't be leaving here with you
