Bound

Indiana

I feel your touch, under my skin
Where you stop, that's where I begin
I'm feeling weak, take pity on me
This isn't love, it's dangerousI bear this cross, I am immune
Desensitised, be kind and be cruel
I will abide, you make the rules
This isn't love, it's dangerousMy hands are tied, admitting defeat
You have corrupted, the innocent me
I didn't fight, it was always beneath
This isn't love, it's dangerous
This isn't love, it's dangerous
This isn't love, it's dangerous
I'm tangled up, beautifully crushed
I'm torn to pieces, scattered like dust
I am addicted, to the limits you push
This isn't love, it's dangerous
Dangerous
Dangerous
I felt my way, into the dark
I am converted, I treasure my scars
Once your creation, now I'm in charge
This isn't love, it's dangerous
This isn't love, it's dangerous
This isn't love, it's dangerous
This isn't love
