

# I Don't Think So

## Ugly Friend

Born in the City  
With a spoon in my mouth  
Gonna take that spoon and spit it out  
I don't wanna be pampered  
I DON'T THINK SO!

Teachers always saying  
I'm such a mess  
I'll put the earplugs in  
I'm unimpressed  
I don't wanna hear your silly rules

Break  
I got some class but I got  
a lot of dirt on my shoes  
I got mistakes in my pocket  
I know I'm gonna use

I Don't Think So!

Turn it up  
It's a bit to low  
Low is for old folks in old age homes  
I don't wanna turn it down

Break  
I DON'T THINK SO!!

---
