One Step Closer

Gaeleri

A Rock show at the beach
Perfect time
Time to show her
Things don't always work out
And I hope this is never over (over)
Looking deep in her eyes
Shes perfect
I'm wondering whether (whether)
She thinks the same as me
And I hope
That this lasts forever (ever)
Everything that I will ever need
(you're just so beautiful to me)
And I won't go if you will never leave
(you're just so beautiful)
And we are one step closer (come on, come on wooow)
[2x]Tell me should I confess
To the beat
We're taking it further
I got a way with words
And you got away with murder
Everything that I will ever need
(you're just so beautiful to me)
And I won't go if you will never leave

(you're just so beautiful)
Place your hand in mine this lonely night
(you're just so beautiful to me)
Hold me close and I'll turn off the lights
(you're just so beautiful to me)
And we are one step closer
(come on, come on wuuuuuw)
Dun dun dun dun dun dun, do do do do do do oh
do do do, do do do do do do do
Everyhting that I will ever need,
(you're just so beautiful to me,
and I wont go if you will never leave
(you're just so beautiful)
So, come place your hand in mine,

this so lonely night
(this so lonely, this so lonely)
hold me close and I'll turn off the lights - ahights
Said we are One Step Closer (Just so beautiful)
And we are One STep Closer ooooooh and we are
We are and we are and we are
just one step and we are and we are and we are.
My heart is harder, and it is beating faster
What ever happened to a
Happily ever after.
With the lastest fashions
And we're high on revenge
You should keep it all here,
Are you better off dead ?
