Ultra

Devillac

Genetically programmed to attract you
Pheromones waiting to attack you
Male's masculine, feminine is female
I'll tell you the difference between them
Guys are ultra, ultra, ultra east, west
Girls are ultra, ultra, ultra north, south
Guys are ultra, ultra, ultra straight up
Girls are ultra, ultra, ultra peace out
My river runs deep but you're quite a big fish
If you're willing to try to understand me
So dive right in, let the wires get wet
Everyone needs a little spark
Round and round and round we go
I hate you but I need you so
Guys are ultra, ultra, ultra not girls
Girls are ultra, ultra, ultra not guys
It's serious bubblegum brain freeze
I told you I like them on their knees
You're bold and you're brave when in danger
You're stupid, insane and I framed you
Guys are ultra, ultra, ultra outside
Girls are ultra, ultra, ultra inside
Guys are ultra, ultra, ultra swing left
Girls are ultra, ultra, ultra sway right
All these X's and Y's are yinging my yang
It's negative, positive behavior
The batteries leaked and I need a fix
?Cause everyone wants to feel the spark
Round and round and round we go
I hate you but I need you so
Guys are ultra, ultra, ultra not girls
Girls are ultra, ultra, ultra not guys
Can you feel the love, love, love?
Can you feel the love, love, love?
Can you feel the love, love, love?
Can you feel it now?
Love, love, love
Can you feel the love, love, love?
Can you feel it?

Muah, can you feel the love, love, love?
Ultra, ultra, ultra punk funk
Punky funky
Ultra, ultra, slam dunk it
[Incomprehensible] give it to me
Ultra, ultra, ultra punk funk
[Incomprehensible]Ultra, ultra, ultra, slam dunk it
Chunky monkey
My river runs deep but you're quite a big fish
If you're willing to try to understand me
So dive right in, let the wires get wet
Everyone needs a little spark
Round and round and round we go
I hate you but I need you so
Guys are ultra, ultra, ultra not girls
Girls are ultra, ultra, ultra not guys
