Oxygen

Liz Longley

Racing
Racing from another restless night
Busted I've been breathless from the fight, running coldTracing
Tracing every step I ever took
Every memory made it in the book, never told-
Be my oxygen
Bring me back again
If I don't have it, I won't make itMy heart is paper-thin after where I've been
I need to breathe
Be my oxygen
-
Escaping
Just to get a finger on my pulse
I can feel it stronger when you're close, so closeInhaling,
Every kiss you give me takes me high
Tasting what it's like to be alive, alive-
Be my oxygen
Bring me back again
If I don't have it, I won't make itMy heart is paper-thin after where I've been
I need to breathe
Be my oxygen
-[Ooh-oooh, ooh-oooh]Be my oxygen
Bring me back again
I need to breathe
Be my oxygen
Bring me back again
If I don't have it
I won't make itMy heart is paper-thin after where I've been
I need to breathe
Be mineI need to breathe
Baby be mineI need to breathe
Be my oxygenBe my oxygenBe my oxygen
