

# God Is God

[Joan Baez](#)

I believe in prophecy  
Some folks see things not everybody can see  
And once in a while they pass the secret along to you and me  
And I believe in miracles  
Something sacred burning in every bush and tree  
We can all learn to sing the songs the angels sing  
Yeah, I believe in God and God ain't me  
I've traveled around  
the world  
Stood on mighty mountains and gazed across the wilderness  
Never seen a line in the sand or a diamond in the dust  
And as our fate unfurls  
Every day that passes I'm sure about a little bit less  
Even my money keeps telling me it's God I need to trust  
And I believe in God but God ain't us  
God, in my little  
understanding don't care what name I call  
Whether or not I believe doesn't matter at all  
I receive the blessings  
That every day on earth's another chance to get it right  
Let this little light of mine shine and rage against the night  
Just another lesson  
Maybe someone's watching and wondering what I got  
Maybe this is why I'm here on earth and maybe not  
But I believe in God and God is God
