Once More With Feeling

Jerry Lee Lewis

We're just goin' through the motions of the parts we've learned to play
Never quite together like beforeBut somehow darlin' something good got lost along the way
And our song ain't nothing special anymoreLet's try it one more time with feeling darlin', take it from the top
Let me feel those tears a fallin' babe
I don't want to miss a single dropDarlin' make believe your makin' me believe each word you say
Try it once more with feeling and we'll call it a day(Talking)
Ah you're reachin' out to touch me darlin' just the way you used to do
And you're lookin' everywhere but in my eyesWell that's an oldy, heh, but it's a goody babe but them words ain't ringin' true
And you don't seem very sure of your lifeSo try it one more time with feeling darlin' take it from the top
This one is the big one baby so give it everything you got
Darlin' make believe your makin' me believe each word you say
Let's try it once more with feeling and we'll call it a day
