

# Don't Change

Inxs

I'm standing here on the ground  
The sky above won't fall down  
See no evil in all direction  
Resolution of happiness  
Things have been dark for too longDon't change for you  
Don't change a thing for me  
Don't change for you  
Don't change a thing for meI found a love I had lost  
It was gone for too long  
Hear no evil in all directions  
Execution of bitterness  
Message received loud and clearDon't change for you  
Don't change a thing for me  
Don't change for you  
Don't change a thing for meI'm standing here on the ground  
The sky above won't fall down  
See no evil in all directions  
Resolution of happiness  
Things have been dark for too longDon't change for you  
Don't change a thing for me  
Don't change for you  
Don't change a thing for meDon't change for you  
Don't change a thing for meDon't change  
Don't change
