Hymn

Edguy

[music & lyrics: Ultravox]Give us this day all that you showed me
The faith and the glory, till my kingdom comes
Give us this day all that you showed me
The power and the glory, till my kingdom comes
Give me all the stories you told me
The faith and the glory till my kingdom comesAnd they say that in our time
All the truth that will fall from grace
Even saints would turn their face
In our time
And they told us that in our days
A different words said in different ways
Have other meanings from he who says
In our timeGive us this day all that you showed me
The power and the glory, till my kingdom comes
Give me all the stories you told me
The faith and the glory till my kingdom comesAnd they say that in our time
We would reap from their legacy
And we would learn from what they had seen
In our time
And they told us that in our days
We would know what was high on high
We would follow and not defy
In our timeGive us this day all that you showed me
The power and the glory, till my kingdom comesFaithless in faith
We must behold the things we seeGive us this day all that you showed me
The power and the glory, till my kingdom comes
Give me all the stories you told me
The faith and the glory till my kingdom comesGive us this day all that you showed me
The power and the glory, till my kingdom comes
Give me all the stories you told me
The faith and the glory till my kingdom comesGive us this day all that you showed me
The power and the glory, till my kingdom comes
Give me all the stories you told me
The faith and the glory till my kingdom comes
till my kingdom comes
till the kingdom comes
