

Just Someone I Used To Know

[Tammy Wynette](#)

There's a picture that I carry
One we made some time ago
When they ask who's in the picture with me
I say just someone I used to know Just someone I used to spend some time with
Just a flame that lost its glow
I don't tell them how lost I am without you
I say just someone I used to know Just someone I used to run around with
Just a friend from long ago
I don't tell them how lost I am without you
I say just someone I used to know
I say just someone I used to know
