

# Abrakadabra

## [Abra](#)

In sleep he sang to me in dreams he came  
That voice which calls to me and speaks my name  
And do I dream again? For now I find  
The Phantom of the Opera is there inside my mind  
Sing once again with me our strange duet  
My power over you grows stronger yet  
And though you turn from me to glance behind  
The Phantom of the Opera is there inside your mind  
Those who have seen your face draw back in fear  
I am the mask you wear it's me they hear  
My spirit and my voice in one combined  
The Phantom of the Opera is there inside my mind  
Beware the Phantom of the Opera  
Is that the Phantom of the Opera?  
Sing, my angel  
Sing for me  
Sing, my angel  
Sing for me
