Soldier

Gavin Degraw

Verse (1)
la da da da da da la da da da da da (x2)
Where did all the people go?
they got scared when the lights went low.
I get you through it nice and slow,
when the world's spinning out of control.
Afraid of what they might lose
might get scraped or they might get bruised.
You can beg on what's the use
that's why it's called the moment of truth
Chorus
I'd get it if you need it,
I'll search if you can't see it,
you're thirsty, I'll be your rain,
you get hurt, I'll take your pain.
I know you don't believe it,
but i said it and i still mean it,
when you heard what i told you,
when you get worried I'll be your soldier.
Verse (2)

Funny when times get hard,
at the last moment when it's supposed to charge,
we are always on the longest yard,
oh they feel their feet get cold.
Hiding here, hiding there,
find them underneath the stairs,
people hiding everywhere,
trying to be still like a stone.
Repeat chorus.
Verse (3)
My aim is so true,
I wanna show you,
I'll try forever,
I'm never gonna say "surrender".
Repeat chorus
I'll be your soldier
I'll be, oh I'll be your soldier
I'll be your soldier

La da da da da la da da da da, (4x)
