

Seven Hours With a Backseat Driver

Gotye

Beatles, The

Sgt. Pepper's Lonely Hearts Club Band

With a little help from my friends What would you think if I sang out of tune?

Would you stand up and walk out on me?

Lend me your ears and I'll sing you a song

And I'll try not to sing out of key Oh I get by with a little help from my friends

Mm I get high with a little help from my friends

Mm gonna try with a little help from my friends What do I do when my love is away?

Does it worry you to be alone?

How do I feel by the end of the day?

Are you sad because you're on your own? No I get by with a little help from my friends

Mm get high with a little help from my friends

Mm gonna try with a little help from my friends Do you need anybody? I need somebody to love

Could it be anybody? I want somebody to love Would you believe in a love at first sight?

Yes I'm certain that it happens all the time

What do you see when you turn out the light?

I can't tell you but I know it's mine Oh I get by with a little help from my friends

Mm get high with a little help from my friends

Oh I'm gonna try with a little help from my friends Do you need anybody? I just need somebody to love

Could it be anybody? I want somebody to love Oh I get by with a little help from my friends

Mm gonna try with a little help from my friends

Oh I get high with a little help from my friends

Yes I get by with a little help from my friends

With a little help from my friends
