Going to New York

Jimmy Reed

Goin' to New York, get on the New York quiz show
Gotta win myself some all o' that doughI'm goin' to New York
I'm goin' to New York
I'm goin' to New York
I'm goin' if I have to walkI been down South
You know I been out East
I been out West, but I'm not gonna rest'Til I get to New York
I'm goin' to New York
I'm goin to New York
I'm goin' if I have to walkI've been here, I've been there
Honey, I been some a-everywhereBut I'm goin' to New York
I'm goin' to New York
I'm goin' to New York
I'm goin' if I have to walk
