Hello Daily News give me classified ads  
Run an ad in your paper read it something like this  
For sale diamond ring odds and ends household things  
Just give me a call say I'm selling all at a sacrifice  
The wedding was called off said she loved my best friend  
And these things just remind me of the fool I've been  
Hello Daily News what's the price of this ad  
There's just one more thing add one wedding ring  
At a sacrifice sacrifice
