

She Ain't In It

Jon Pardi

Appreciate your call, means a lot and all
Yeah, I got a minute
You and me can talk about anything you want
As long as she ain't in it
Say, it's been at least a month since I've had any fun
Buddy, I'll admit it
Yeah, I might be going out
Think I'm ready for a crowd
As long as she ain't in it Don't wanna hear her name
Don't wanna see her face
I swear, I know its gonna hurt
If I run into her somewhere We could hit that place down by the interstate
Out past the city limits
Hangout all night long
Hear a country song
As long as she ain't in it Don't wanna hear her name
Don't wanna see her face
I swear, I know its gonna hurt
If I run into her somewhere
