Stricken

Dangermuffin

You walk on like a woman in suffering
Won't even bother now, to tell me why
You come alone, letting all of us savor the moment
Leaving me broken, another timeYou come on like a blood stained hurricane
Leave me alone, let me be this time

You carry on like a holy man pushing redemption
I don't want to mention, the reason I knowThat I am stricken and can't let you go
When the heart is cold, there's no hope and we know

That I am crippled by all that you've done
Into the abyss will I runYou don't know what your power has done to me
I want to know if I'll heal inside

I can't go on, with a holocaust about to happen
Seeing you laughing another timeYou'll never know why your face has haunted me
My very soul has to bleed this time

Another hole in the wall of my inner defenses

Leaving me breathless, the reason I knowThat I am stricken and can't let you go

When the heart is cold, there's no hope and we know

That I am crippled by all that you've done

Into the abyss will I run, into the abyss will I runYou walk on like a woman in suffering Won't even bother now to tell me why

You come alone, letting all of us savor the moment
Leaving me broken, another timeYou come on like a blood stained hurricane
Leave me alone, let me be this time

You carry on like a holy man pushing redemption

Don't want to mention the reason I knowThat I am stricken and can't let you go

When the heart is cold there's no hope and we know

That I am crippled by all that you've done

Into the abyss will I run, into the abyss will I runI can't let you go

Yes I am stricken and can't let you go
