Vanessa Hudgens

Can't you feel my hot sex?
Heart stop beating
Can't you feel my hot sex?
Heart stop
Can't you feel my hot sex?
Heart stop beating
Can't you feel my hot sex?
Heart stop beating
Fifty in his pocket,
A condom in his wallet,
He's not gonna sleep tonight
Pictures tell a story,
Everybody's lonely,
Waiting till' the time is right
Pretty pretty packages all in a row,
Sugar snap, fire crack,
Tied up in a bow
Please don't tell me something I already know
'Cause I heard it all heard it all heard it all before
Stop being so clever,
You could do much better,
You won't be alone tonight
Can't you feel my hot sex?
Heart stop beating
Can't you feel my hot sex?
Heart stop beating

Can't you feel my hot sex?
Heart stop beating
No need to pull it out cause we're not competing
The same forever and ever,
You think you're so fucking clever
You think you're so fucking clever
Don't mistake my kindness for weakness,
I've got something to show you,
But you just can't see it
Downtown baby, downtown don't let it go
Sweet sweet baby, sweet sweet don't let it go
Don't let it go

Can't you feel my hot sex?
Can't you feel my hot sex?
Can't you feel my
Can't you feel my
Can't you feel my hot sex?
Can't you feel my
Can't you feel my
Can't you feel my
Can't you feel my hot sex?
Downtown baby, downtown don't let it go
Sweet sweet baby, sweet sweet don't let it go
Don't let it go
Don't let it go
