It's A Beautiful Day

Lighthouse Family

There's nothing wrong with me, I'm okay
It's only because recently been kind of gray that I feel downI know what I'm aiming for
Don't think so much about everything and let the day take over
It ain't that hard to doIt's a beautiful day outside
But you don't know how to flyThere's nothing wrong with you, you're okay
It's only because things don't always go your way that you feel downHey what you waiting for ?
Don't think so much about everything and let the day take over
It ain't that hard to doIt's a beautiful day outside
But you don't know how to flyIt's a beautiful day outside
But you don't know how to flyHey, what you waiting for?
Don't think so much about everything and let the day take over
It ain't that hard to doIt's a beautiful day outside
But you don't know how to flyIt's a beautiful day outside
But you don't know how to flyIt's a beautiful day
It's a beautiful day
It's a beautiful day
