

Walk On Water

Eddie Money

Well, if I could walk on water
And if I could find some way to prove
If I could walk on water would you believe in me?

My love is so true

Na, na, na

Na, na, na

Na, na, na

Well, I'm no angel, now I'll admit
I made a few bad moves, I should regret
I hurt you once or so you said
Just one more chance is all you get
Didn't mean to do you wrong again
Worse things have been done by better men
Baby, baby, don't, don't treat me this way
I know, yes, I've got to pay now, I'm still paying

Well, if I could walk on water

And if I could find some way to prove
If I could walk on water would you believe in me?

My love is true

Na, na, na, oh

All along, I told you lie

To err is human, forgive is divine

Don't be a fool, don't settle the score

'Cause I can't take it no more, I can't take

Well, if I could walk on water

And if I could find some way to prove
If I could walk on water would you believe in me?

My love is true

Well, if I could walk on water
Is that what I'm gonna have to do
If I could walk on water would you believe in me?

My love is so true

Na, na, na

Na, na, na

Na, na, na

Do I have to walk, walk, walk on water for you?
Hey baby, baby, there's a little time, let's spend it together
We'll get over what we left behind, there's our future together

Yeah, well, let's stay together
Oh, yeah
I keep walkin', walkin', walkin' for you, for you
Well, if I could walk on water
And if I could find some way to prove
If I could walk on water would you believe in me?
My love is true
My love is so true, do I have to walk?
Oh, walk on water for you, baby please
If I had to walk, girl, if I had to walk, walk, walk
Do I have to walk on water, walk on water for you?
Do I have to walk on water?
Do I have to find some way to prove?
Do I have to walk on water, walk on water for you?
Do I have to walk on water?
Do I have to find some way to prove?
Yeah, yeah, walk on water, walk on water for you
Do I have to?
