

Freak (Riva Starr Dub)

Estelle

I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak, every day of every week.
This is something that I love, listen I'm about to teach
Every single girl should embrace their inner freaky freak.
Don't be scared, don't be shy, yes you gotta let it be.
I can give instructions if ya like to, like to hear me speak. Let me see those hand cuffs off
Let me see that leather gear
Kiss him, slap him, pull his hair
Make him yo bitch in here
He wanna see you get down low
He wanna hear you, hear you go
I can be a freak, every day of every week
How ever do you want it (How ever)
How ever do you need it (Do you need me)
How ever do you want it (How)
How ever do you need it (Do you need me)
How ever do you want it (How ever)
How ever do you need it (Do you need me)
How ever do you want it
How ever do you, I can be a, I can be a, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
Every day of every week
F, R, E, A, K
Let me be yo freak (OKAY)
Superman lover
I'll pitch yo tent with a XL magnum under cover
She know the deal

Ass look better in a 9 inch heel
 One left in my room
 Like cinderella
 Hand full of chicks
 No better get ill
 Freak to the bone
 Even if ya mom home im beatin' still
 Killed them chicks
 When I see you in the club
 Better write yo will
 Approach with caution
 Careful how you handle my drill
 Yea, and we freakin still How ever do you want it (How ever)
 How ever do you need it (Do you need me)
 How ever do you want it (How)
 How ever do you need it (Do you need me)
 How ever do you want it (How ever)
 How ever do you need it (Do you need me)
 How ever do you want it
 How ever do you, I can be a, I can be a, I can be a freak
 I can, I can be a freak (x6)
 Every day of every week He wanna hear
 You say

 I can be a freak, every day of every week Ha, yes they tell you so fly
 Right down, right down to the shoes
 Wanna spin these fellas round
 Ladies this is how you do
 Whip yo hair, do yo smile
 Tell him this is nothing new
 Take it out the box if wanna see you in the nude
 He wanna see you hand cuffed out
 He wanna see yo leather gear
 Kiss me, slap me, pull my hair
 He wanna see me smack that their
 He wanna see you get down low
 He wanna hear you, hear you go
 I can be freak every day of every week How ever do you want it (How ever)
 How ever do you need it (Do you need me)
 How ever do you want it (How)
 How ever do you need it (Do you need me)
 How ever do you want it (How ever)
 How ever do you need it (Do you need me)

I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
Every day of every week
