

Dog Days Are Over

Florence + The Machine

Happiness, it hurt, like a train on a track
Coming towards her, stuck still no turning back
She hid around corners, she hid under beds
She killed it with kisses and from it she fled
With every bubble she sank with a drink
And washed it away down the kitchen sink

The dog days are over
The dog days are done
The horses are coming
So you better run

Run fast for your mother, run fast for your father
Run for you children for you sisters and brothers
Leave all your love and your loving behind
You can't carry it with you if you want to survive

The dog days are over
The dog days are done
Can you hear the horses?
Cuz here they come

And I never wanted anything from you
Except everything you had
And that was left after too. Oh.

Happiness it hurt like a bullet in my mind
Stuck up them drainpipes
By someone who should know better than that

The dog days are over
The dog days are done
Can't you hear the horses?
Cuz here they come

Run fast for your mother, run fast for your father
Run for you children for you sisters and brothers
Leave all your love and your loving behind
You can't carry it with you if you want to survive

The dog days are over
The dog days are done
The horses are coming
So you better run

The dog days are over
The dog days are done
The horses are coming
So you better run
