

# Further Away (Romance Police)

Lissie

... him  
as natural as breathing  
he's loving and he's leaving  
watch him go, let him go  
Need him  
but you never gonna keep him  
you should get used to this leaving  
watch him go let him go  
does anyone love anyone anymore??  
take what they want ...  
he gets further away  
you're getting sad every day  
chance him ..  
he talk but what's he saying?  
heaven knows, let him go
