

Rule the World

Take That

You light the skies up above me
A star so bright you blind me, yeah, yeah
Dont close your eyes
Don't fade away, don't fade away, ohYeah, you and me we can ride on a star
If you stay with me, girl, we can rule the world
Yeah, you and me we can light up the sky
If you stay by my side, we can rule the worldIf walls break down, I will comfort you
If angels cry, oh, I'll be there for you
You've saved my soul
Don't leave me now, don't leave me now, ohYeah, you and me we can ride on a star
If you stay with me, girl, we can rule the world
Yeah, you and me we can light up the sky
If you stay by my side, we can rule the worldAll the stars are coming out tonight
They're lighting up the sky tonight for you, for you
All the stars are coming out tonight
They're lighting up the sky tonight for you, for you, ohYeah, you and me we can ride on a star
If you stay with me, girl, we can rule the world
Yeah, you and me we can light up the sky
If you stay by my side, we can rule the worldAll the stars are coming out tonight
They're lighting up the sky tonight for you, for you
All the stars are coming out tonight
They're lighting up the sky tonight for you, for youAll the stars are coming out tonight
They're lighting up the sky tonight for you, for you
All the stars are coming out tonight
They're lighting up the sky tonight for you, for you.
