She Gets Me Inside

Ronan Keating

Here's a song for the maker
Maybe the rest are just displayed
Here's my heart, go on and take it
Follow the night and just walk awayThere's one heart and one voice
There's one song and one choice
WoahShe gets me inside
So I don't know wrong from right
And it all goes quiet
'Cause everything, everything, everything
Is gonna be alrightSometimes a love can make you feel good
Sometimes a love treats you like nothin' should
Sometimes your heart's where feet have stoodBut nothing's gonna change, yeah, and nothing could
But with one heart and one hope
One night and the search is over
WoahShe gets me inside
So I don't know wrong from right
And it all goes quiet
'Cause everything, everything, everything, yeah
Is gonna be alrightShe gets me inside
So I don't know wrong from right
And it all goes quiet
'Cause everything, everything, everything'Cause everything, everything, everything
Is gonna be alright
It's gonna be, yeah, alright
Its gonna be, yeah, alright
