

Superstar

Cherish

I don't have to take my hair out of my ponytail
Don't have to change my style up or come out the clothes I wear
Because of you I'm able to get through the stormy weather
You know the words to say just to make my day go better

Anything (Anything)
That I do (That I do)
I know I'll always be beautiful to you (always be beautiful to you)
Thought I had all my senses but you gave me touch (you gave me touch)
Without you I wouldn't know love

[Chorus]
I know when I come home I'm your superstar
Even if no records were so I'm your superstar
No matter the time I know always through your eyes
I'll remain a superstar

No need to put on make-up just cause you came around (came around)
Don't have to hide my tears from you whenever I feel down (I feel down)
No one else makes me feel the way you do you're so good to me (good to me)
And I'm still alive and I know that that's because of my baby

Anything (Anything)
That I do (That I do, that I do baby)
I know I'll always be beautiful to you (always be beautiful to you)
Thought I had all my senses but you gave me touch (you gave me touch, yeah)
Without you I wouldn't know love (Love)

[Chorus]
I know when I come home I'm your superstar (I'm your superstar, oh yeah)
Even if no records were so I'm your superstar
No matter the time I know always through your eyes (No matter, yeah, yeah, yeah)
I'll remain a superstar

I'll give my heart
I give my heart, my soul, my all to you
And I promise to never leave you
I'll give all my love to you (My love, my love)
And promise to stand by you forever and ever

Anything (Anything)
That I do (That I do)
I know I'll always be beautiful to you
Thought I had all my senses but you gave me touch
Without you I wouldn't know love

[Chorus]

I know when I come home I'm your superstar (I'm your superstar, yeah)
Even if no records were so I'm your superstar (You help me through it all)
No matter the time I know always through your eyes (No matter the time, through your eyes)
I'll remain a superstar (star)

[Chorus]

I know when I come home I'm your superstar (When I, I'm your superstar)
Even if no records were so I'm your superstar (Oh baby)
No matter the time I know always through your eyes (No matter the time, I know always through your eyes)
I'll remain a superstar (I'll be, I'll be your superstar)
