

Whistle

Glee Cast

Can you blow my whistle baby, whistle baby

Let me know

Girl I'm gonna show you how to do it

And we start real slow

You just put your lips together

And you come real close

Can you blow my whistle baby, whistle baby

Here we go

(Look) I'm betting you like people

And I'm betting you love freak mode

And I'm betting you like girls that give love to girls

And stroke your little ego

I bet you I'm guilty your honor

That's just how we live in my genre

Who in the hell done paved the road wider?

There's only one flo, and one rida

I'm a damn shame

Order more champagne, pull a damn hamstring

Tryna put it on ya

Bet your lips spin back around corner

Slow it down baby take a little longer

Can you blow my whistle baby, whistle baby

Let me know

Girl I'm gonna show you how to do it

And we start real slow

You just put your lips together

And you come real close

Can you blow my whistle baby, whistle baby

Here we go

Whistle baby, whistle baby,

Whistle baby, whistle baby

Whi-whistle baby, whistle baby

Whistle baby, whistle baby

Whi-whistle baby, whistle baby

It's like everywhere I go

My whistle ready to blow

Shawty don't leave a note
She can get any by the low
Told me she's not a pro
It's okay, it's under control
Show me soprano, 'cause girl you can handle
Baby we start snagging, you come up in part clothes
Girl I'm losing wing, my Bugatti the same road
Show me your perfect pitch, you got it my banjo
Talented with your lips, like you blew out a candle
So amusing, now you can make a whistle with the music
Hope you ain't got no issue, you can do it
Give me the perfect pitch, ya never lose it

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

Whistle baby, whistle baby,
Whi-whistle baby, whistle baby
Whistle baby, whistle baby,
Whi-whistle baby, whistle baby

Go girl you can twerk it
Let me see you whistle while you work it
I'mma lay it back, don't stop it
'Cause I love it how you drop it, drop it, drop it on me
Now, shawty let that whistle blow-oh, oh oh
Yeah, baby let that whistle blow-oh oh!

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

Whistle baby, whistle baby,
Whi-whistle baby, whistle baby,

Whistle baby, whistle baby,
Whistle baby, whistle baby
