

Some Rainy Sunday

Juliana Hatfield

A whippoorwill sings
And the morning brings
Sunshine and freedom
A beautiful day
I just couldnt stay
Inside loves prisonBut some rainy Sunday
Ill wake from a dream
And wonder if you miss me
Some rainy Sunday
Ill see things your way
And wish that you were with meTelephone calls just hit the wall
And you cant see my side
Tied up with you in a manic mood
I just scream goodbyeSome rainy Sunday
Ill wake from a dream
And wonder if you miss me
Some rainy Sunday
Ill see my mistake
And wish that you were with meOhh, ohhSome rainy Sunday
Ill wake from a dream
And wonder if you miss me
Some rainy Sunday
Ill see my mistake
And wish that you were with me
