True Story

El-P

Let's go
And the story stays the same
The only difference is the name
He's a nice guy and she is a bad girl
He thinks that she can do no wrong
Although secretly she longs for every penis in the world
The only one who doesn't know
And while he's bringing in the dough
She is so busy screwing the days away
The days away, although she doesn't deserve it
He seems to think that she's worth it
I can't help thinking of denial
I swear I see it when she smiles at guys
He gets a little crazy, I don't know how he puts up with
All of her freaky cheating shit
I could not stand my girl to play me
The only one who doesn't know
And while he's bringing in the dough

She is so busy screwing the days away
The days away, although she doesn't deserve it
He seems to think that she's worth it
Monday through to Saturday
And she fucks around on him
Monday through to Saturday
Through to Saturday
Through to Saturday
While he's working
Monday through to Saturday
Through to Saturday
Through to Saturday
And she fucks around Monday
Through to Saturday
Through to Saturday
Through to Saturday
