# One Touch (Wideboys Radio Edit)

## Mini Viva

Do you want a candy? Hey baby
With a different taste, I want this
Do you need it?
Come and eat your cakeDo you want a candy? Hey baby
With a cherry on top
Do you want it, do you need it?
'Cause the cake comes hotI'm not afraid of no love
And I pick whatever flavor I want
I'm not afraid of too much
And I don't get tired of playing alongI'm not afraid of no love
And I'll rock you any way that I want
I'm not afraid of your stuff
And I'm sure I'll keep you runningOne touch and I know you're there
There is something up in the air
It just takes me overOne touch and I know you're there
There is something up in the air
It just takes me overHips, lips, fashion status
I get my kicks
Conscious of the rich life and the famous
I've got my hidden maniaKiss, kiss, it's contagious
I get my kicks, don't you know
It's my status, status
Oh boy, I got what you wantDo you want a candy? Hey baby
Sugar coated base, I'll treat ya
Gonna teach ya
How to match my paceDo you want a candy? Hey baby
Wanna make things pop
Tastes sweeter than tequila
But you only get one shotI'm not afraid of no love
And I pick whatever flavor I want
I'm not afraid of too much
And I don't get tired of playing alongI'm not afraid of no love
And I'll rock you any way that I want
I'm not afraid of your stuff
And I'm sure I'll keep you runningOne touch and I know you're there
There is something up in the air
It just takes me overOne touch and I know you're there
There is something up in the air
It just takes me overHips, lips, fashion status

I get my kicks
Conscious of the rich life and the famous
I've got my hidden maniaKiss, kiss, it's contagious
I get my kicks, don't you know
It's my status, status
Oh boy, I got what you wantOne touch and I know you're there
