Hobbit Motherfuckers

Turbonegro

Ethnic hair styles
Sloppy male hippies
Retro punks
People with thick glassesGlorifying serial killers
Hobbit motherfuckers
No guts, no glory
No riotArgh
Yagh
I've had enough
My generation sucksAuck
Yagh
I agree
My generation sucksCyber idiots with pierced scrotums
Copulating
With animals in cars
Parked outside the rave partyNot enough war
Not enough famine
Not enough suffering
Not enough natural selectionArgh
Yagh
That's what I say
My generation sucksAuck
Yagh
I've had enough
My generation sucks
