Misty Morning

Lawrence

These days there's too much on my mind
And now it's hard to say goodbye
But I can tryMisty morning on our avenue
Sometimes I wish that I could stay with you
I know I made it hard to see this through
I've got this feeling
I will be missing youI'll miss those times you'd corner me
Back when we learned geometry
Do you agree?
Misty morning on our avenue
Sometimes I wish that I could stay with you
I know I made it hard to see this through
I've got this feeling
I will be missing youSomeday you'll find
That maybe it was better
We didn't have the time
I heard the distance brings you nearer
Are you near to me?
Misty morning on our avenue
Sometimes I wish that I could stay with you
I know I made it hard to see this through
I've got this feeling
I will be missing you
