I Know That I Wasnâ€™t Right

Allen Stone

I know that I wasn't right
And I know that I wasn't right
And I know that I wasn't right
And I know, and I know, and I know that I wasn't rightOh, 'cause time keeps moving forward as I keep falling back
Both my feet are planted, my foundation's cracked
But in my defenseI know that I wasn't right
Yeah, I know that I wasn't right
And I know that I wasn't right
And I know, and I know, and I know that I wasn't rightOh, the worst thing I can think of, of all there is
Is losing your affection 'cause of my stubbornness
But in my defenseI know that I wasn't right
Yeah, I know that I wasn't right
And I know that I wasn't right
And I know, and I know, and I know that I wasn't right
Yeah, I know that I wasn't right
And I know that I wasn't right
And I know that I shouldn't lie
I know that I wasn't rightOh well, I get so frustrated
'Cause I hate being wrong
Energy gets wasted
'Cause my head's far too strong
But in my defenseI know that I wasn't right
Yeah, I know that I wasn't right
And I know that I wasn't right
And I know, and I know, and I know that I wasn't right
Yeah, I know that I wasn't right
Well, I know that I wasn't right
And I know that I shouldn't lie
I know that I wasn't rightI know that I wasn't right (know that I wasn't right)
And I know, and I know, and I know that I wasn't right (know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right) know that I wasn't right
(Know that I wasn't right) know that I wasn't right
(Know that I wasn't right) know that I wasn't right
(Know that I wasn't right) know that I wasn't right
(Know that I wasn't right)

(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right) well, I know
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right) yeah
(Know that I wasn't right) know that I wasn't right
(Know that I wasn't right) know that I wasn't right
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right) wasn't right
(Know that I wasn't right) know that I wasn't right
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right)(Know that I wasn't right)
(Know that I wasn't right)
(Know that I wasn't right) know that I wasn't right
(Know that I wasn't right)
(Know that I wasn't) know that I wasn't
