Nasty

Blaze Ya Dead Homie

[Yo Blaze you nasty]
[You know you nasty]
[Man you so nasty]
[You know you nasty]
[Yo Blaze you nasty]Scabs and bubble gum peanut butter on a toe nail,
Flicking boogers in your ginger ale,
Itch my thang, Bust in your face,
Didn't wipe my butt so now it's kinda itchy,
Drink douche bags like wine coolers,
And throw gang signs for all the old schoolers,
I stuck an AK in a hood rat booty,
Cause I found out she was a groupie,
If I blow ass, You gonna know fast,
Alla yall gonna need a fuckin gas mask,
I'm the yellow shit underneath your armpit,
And when i toss back thats vile cuz I spit,
I'm like clay, wet, smelly, and gray,
I wear the same clothes for ever and a day,
Now you can hate me and try to say I'm trashy,
And if you go and ask somebody they'll tell you that I'm nasty.[You nasty Blaze you nasty]
That I'm Nasty
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[You nasty, You nasty]
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[You nasty, You nasty]I use anybody killa rubber after him,
I ain't paying shit, and condoms costin,
More money and not enough feel,
Word to your neden, Im just tellin the deal,
I suck the puss out my own pimples,
And spit it on your ass and fill up the dimples,
I'm the lint in your belly button,
Fuzzy like mold, Ain't that something,
I like to fuck chickens, then Q 'em,
Barbecue sauce on my balls just for screwing 'em,
I go swimming, in a porta potty,
And have shit and piss on my face and body,

I like to party, with my pants off,
When my dick gets hard, smack it, it'll go soft,
I suck blood, outa tampon,
I'm nasty as the mother fucking ground that I stand on,(Only if you standing in a pile of shit!)[You nasty Blaze you nasty]
Motha fucka
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[You nasty, You nasty]
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[You nasty, You nasty]I stay funky like a dew chip, I'll wipe,
Snot on your best friends little sisters pussy lip,
I got mice slippin in the holes in my back, tryed to
evict them they say fuck that,
Dirt under fingernails, wounds won't heal,
Grip on my double burger value meal,
Dick sucks from hookers, with no teeth,
Still got tits, and loopy ass chicks,
I'm the melted ice cream covered in ants,
Got dry blood and guts on my favorite black pants,
This one freaky bitch, tried to piss on me,
So I shit on her, so thats she can see,
That killaz don't swing like that,
So opened her neden real wide, and i stuffed in a rat,
why you think all the hood rats ask me,
Blaze why the fuck you so damn nasty,[You nasty Blaze you nasty]
That I'm Nasty
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[You nasty, You nasty]
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[you nasty Blaze you nasty]
[You nasty, You nasty]
