Take a trip to a place where the weather win
Rollin' up a seven and

Computer love, I know you want that lunar love
Fuck with me on the low and I'm-a do you up
The coolest Crip niggas, baby, we them

And athletes want to be rappers
We all have [?]
All of us is factors
Raised in the streets, me and my peeps [?]
Executive suites [?]

Wanna be wiped and spoiled, pacified
Tell all my females understand, then it is guys
What is she? She ready

Man, I got coochie on deck all day
My baby girl thicker than the Milky Way
She on, she say she like my song
I gave her my phone
She liked her IG on my Samsung
Bi-coastal, not local
We highkey poppin' fo' sho', though
We get around like a circle
Or probably should I say oval?
She drive a Volvo, a [?]
She want to Snapchat a photo
She want to give me fellatio, a.k.a. oral
Let me tap that
Tryna double tap that

Slide off in your DM, slide off in your DM
