# Hump'em n' Dump'em

## Wheatus

Cough up the rent Mr. Kent
And don't try to blame it on the government
Your wife is a clown she's in town
She gets with some other guyAre you gonna finish your fat?
'Cause I'd like to give it to my kitty cat
The big fat look is coming back
You skinny people are screwedAnd I know you're right
Yeah, I know it's timeHere we go again, another hump 'em dump 'em situation
Here we go again, another hump 'em dump 'em situation
Here we go again, here we go again
Now I know what you're like and I don't think I like itThe newspaper says to get bent
Man I'd like to say that to the President
He got the L in the House
I guess he already didShe looks like she finished here fat
She then turned around and ate my kitty cat
She coughed up a hair ball or two
And laughed her way to the bankAnd I know it's right
Yeah, I know it's timeHere we go again, another hump 'em dump 'em situation
Here we go again, another hump 'em dump 'em situation
Here we go again, here we go again
Now I know what you're like and I don't think I like itHere we go again, another hump 'em dump 'em situation
Here we go again, another hump 'em dump 'em situation
Here we go again, here we go againHere we go again, another hump 'em dump 'em situation
Here we go again, another another another
Here we go again, here we go againHere we go again, another hump 'em dump 'em situation
Here we go again, another another another
Here we go again, here we go againHere we go again, another hump 'em dump 'em situation
Here we go again, another another another
Here we go again, here we go again
Now I know what you're like and I don't think I like it
